

GAUPEN.
SIMPLY PROFESSIONAL.

WELCOME TO GAUPEN.

Michel de Verneuil,
Managing Director

Our aim is to make transportation easier for you and to satisfy your requirements over the long term. Drawing on over 50 years of experience, we have now developed a new range of trailers designed to meet the greatest variety of your needs for day-to-day professional use.

Our new Gaupen Master range has been developed with you in mind: our dedicated products and services will be with you every step of the way.

We are proud to present our new models, Gaupen Master, that are sure to make your daily routine a whole lot easier.

The Gaupen Master range is equipped with a flatbed (wheels underneath), so offering an optimal loading width.

It is suitable for all your transport requirements, all types of loads, lengths and volumes.

Thanks to the folding and removable sides, it will cater for your multiple professional requirements day in day out.

KEY STRENGTHS.

THE GAUPEN OFFERING.

QUALITY AND SAFETY

Our Scandinavian roots have forged a high-quality, robust and durable design for our trailers that meets the many needs of demanding professionals.

All Gaupen Master trailers are braked and equipped with multiple anchor points to ensure your loads are firmly secured in place.

Our quality assurance means we can offer a 10-year guarantee on all chassis.

EASY TO USE

The flat plywood floor and foldable panels let you turn our trailer into a multifunctional loading platform, so maximising and facilitating your load volume. Its front, rear and side panels can be folded down and removed for easy loading and unloading on all sides with a forklift truck. Our flattops ensure an optimum loading width as the wheels are positioned underneath.

WIDE RANGE OF TRAILERS AND ACCESSORIES

For a wide variety of applications, ranging from 2.5 m to approx. 6 m and from 1,350 kg to 3.500 kg, with a specific selection intentionally kept simple to make your choice easier.

The Master range offers multiple loading areas and perfect manoeuvrability for heavy-duty professional use.

A wide selection of accessories to meet all your specific needs.

DEDICATED CUSTOMER SERVICE

Dedicated professional dealers are on hand to provide advice and information.

Our website at gaupen.com also lets you access our full range of trailers and accessories at any time.

We are committed to ensuring satisfaction with permanent stock availability and fast delivery.

2 YEARS. THE GAUPEN GUARANTEE.

All our trailers come with a two-year warranty on parts and labour.

And our commitment to quality means we can offer you a guarantee of 10 years on all our chassis.

MASTER RANGE.

Standard equipment:

Steel hitch - Brakes - 6 or 8 lashing eyes with noise reducers (depending on model)
